

Conflict Minerals Statement

Declaring Entity: BGE (Nigeria) Solar FZE (hereinafter referred to as the "BGE") As a socially responsible entity, we actively comply with international human rights standards and commit to avoiding the use of conflict-related mineral resources throughout the product lifecycle.

I. Definition and Scope of Conflict Minerals

Conflict Areas:The Democratic Republic of the Congo (DRC) and neighboring countries (including Angola, Burundi, Central African Republic, Republic of the Congo, Kenya, Rwanda, South Sudan, Sudan, Tanzania, Uganda, Zambia, etc.), as well as future regions newly affected by conflicts.

Conflict Minerals:Minerals mined or funded by illegal armed groups in the above regions, including but not limited to:

- (1) Cassiterite (Tin)
- (2) Columbite-Tantalite (Tantalum)
- (3) Wolframite (Tungsten)
- (4) Gold
- (5) Cobalt, Palladium, and other high-risk minerals

II. Supply Chain Management Commitments

Compliant Sourcing:Ensure all metals used in products and packaging originate from legal and sustainable supply chains, with no direct or indirect procurement of conflict minerals.

Supplier Management:

- (1) Require suppliers to sign a Conflict Minerals Commitment Letter.
- (2) Conduct regular audits of supplier compliance and retain material sourcing records for at least 5 years.
- (3) Risk Assessment: Establish a mineral sourcing risk map and conduct annual reviews and on-site inspections of high-risk regions.

III. Compliance and Legal Responsibilities

Breach of Contract:

In the event of conflict minerals in the supply chain, the Company will:

- (1) Immediately terminate cooperation with the involved supplier;
- (2) Recall related products and bear all costs;
- (3) Pay liquidated damages to clients as per contractual terms (including direct losses and reputational damages).

Legal Jurisdiction:

This Statement is governed by the laws of [Company Registration Location], with disputes resolved in [Designated Court].

IV. Monitoring and Improvement

Transparency:

Publish an annual Environmental, Social, and Governance (ESG) Report to disclose progress in conflict minerals management.

Continuous Improvement:

Engage in industry initiatives to enhance supply chain transparency.

V. Effective Date

This Statement shall take effect upon publication.
